

LAKE CITY STINGER BAND
Annual Meeting

July 7, 2009

The Lake City Stinger Band held its Annual Meeting on July 7, 2009 following rehearsal. Twenty band members were present. The purpose of the meeting was to elect the band's Board of Directors and conduct other business as deemed necessary.

Bob Matthews called the meeting to order at 8:30 pm. Bob asked those present if they had any concerns or suggestions about the operation of the band. Discussion ensued as to the reason for Sunday concerts and the need to coordinate the dates and times with the city calendar.

Bob presented the following slate of members who have agreed to serve on the Board for 2009-2010: Jay Farrar, George Hoffman, Bob Matthews, Joe Steele, and Karen Thormalen. Bob asked for nominations from the floor. There were none. Russell Egelston moved and Claire Jessee seconded a motion that the nominees be elected by acclamation; motion carried unanimously by voice vote.

George Hoffman reported that the 2009 membership is currently 25 members and 3 supporting members. In addition to their membership dues, the 25 members have contributed an additional \$680 to the band. The band also received \$367 in donations at the July 5 concert.

Meeting was adjourned at 8:50 p.m.
